Irritation, infection while using Trojan- lubricated condom. The life long use of the product dates back to the sales of (2) two in a pack sold in service station bathroom machine's, Bus stations, Hotels and Motels Men rooms the sale price (50¢) fifty cent. I use for some(46) forty six years . My age is (63) years old. Having been a general contractor and use of gloves and paint made of latex. Year after year, why this one incident? There is a first time for everything. Dr, Robert Fry allergic contact dermatitis/ Latex reaction. Reaction Jermatitis "This an allergy to something in contact and chemicals are common causes." "Typically and the reaction is severe blisters may develop" "If signs of infection occur such as spreading," Ectal!!!! W115292576. 04/04/09.

I have no health insurance and no aid from Church & Dwight Co, inc. Spreading from feet to face occurred! I an not well yet! If not for Overton Brooks Va Medical Center, 510 East Stoner Ave. Shreveport, LA 71101. What would I look like at such time? This chemical cooked my testicles and penis.

This effected my quality of life. Pain at times are intolerable, suffering intolerable, emotional stress, mental anguish, Prominent disfiguring! The pain is to the bone! The 7th Amendment demands the right to trial by jury. Then the 14th Amendment of the United States Constitution. Is the demand for due process of law and equal protection under the law. Fact being Church & Dwight product Trojan condom, were sold frequent where men visit. This being bus stations, hotels, motels, in men restrooms, Etc.al.

Once more I do so respectful request the demand of my constitutional right to The 7th Amendment trail by jury is preserved by Fed. R. Civil P.38 Then to the 14th Amendment of the United States Constitution ratified in 1808. Due process of law, is in denial of equal protection of the laws. Ect.al !
